Price

Price	EUR 495.000
-------	-------------

Technical specifications

GRT	330 GT
Bollard pull	36 BP

Speed	13.5 knots
Bunker capacity	102 m ³
Cruising range	14 days

Machinery & propulsion

Main engine	FIAT – 2,465.7 BHP
Auxiliary engines	Mercedes OM403 – 195 kW + Perkins Sabre 6 TWGM
Generators	Denish Electric MC 434B – 150 kW • Kemper & van Twist KVT 1600 HPES
Propulsion	CPP – controllable pitch propeller

Class & certification

Class	Renewed Polish Register of Shipping – KM Tug II L1 Valid until 2030
-------	--

Deck equipment

Towing winch	Aft towing winch — pull 250 kN — breaking load 118 kN
Towing hook	Remote release — SWL 340 kN

Navigation & communication

Navigation	Complete navigation equipment suite
------------	-------------------------------------

Other

Notes	Classic, powerful single-screw tug with strong towing gear and long endurance
-------	---

Condition & status

Condition	In operational condition, ready for service
-----------	---
